About Us

CG Agriculture Ltd. is a mushroom farming operation based in Chilliwack, British Columbia, committed to producing high-quality fresh mushrooms through consistent cultivation, careful harvesting, and dependable farm operations. We take pride in maintaining a clean, efficient, and well-organized growing environment to support reliable production and product quality. Our team plays an important role in every stage of the process, from monitoring growing conditions to harvesting and handling crops with care.

We are now looking for 6 Mushroom Labourers to join our team. Please send your resume to careers.cgfarm2026@outlook.com. To ensure the smooth operation of our daily farm activities, we kindly ask that applicants do not call or attend in person without prior arrangement.

Position Details

Positions Available: 6

Employment Type: Full-time, permanent

Hourly Wage: \$18.00

Weekly Hours: 40 per week

Location of work: Chilliwack, BC

Duties and Responsibilities

- Harvest mushrooms by hand carefully and efficiently according to size and quality standards.
- Sort, trim, and pack harvested mushrooms for storage and shipment.
- Load, unload, and move growing materials, trays, containers, and harvested products by hand or with basic farm equipment.
- Clean and sanitize growing rooms, work areas, racks, tools, and equipment.
- Remove damaged, diseased, or overripe mushrooms and dispose of waste materials.
- Perform repetitive lifting, carrying, bending, reaching, and standing for extended periods during daily farm operations.
- Assist with general crop handling and maintain cleanliness and order in production areas.

Qualifications

- No education requirement
- No experience requirement
- No Language requirement
- Able to perform physically demanding manual labour in a fast-paced farm environment without allergies or sensitivities to mushrooms, compost, dust, spores, or related agricultural materials.
- Able to lift, carry, push, and pull heavy materials on a regular basis
- Able to stand, walk, bend, crouch, reach, and perform repetitive tasks for extended periods
- Able to work in humid, warm, and enclosed indoor growing environments
