Job Description

Oversee the daily administrative operations of the dental clinic to ensure efficient patient flow and smooth clinic functioning.

- Coordinate appointment scheduling for dentists, hygienists, and other clinical staff, ensuring optimal use of clinic resources and minimizing scheduling conflicts.
- Supervise front desk and administrative staff, provide guidance, and assist with training and performance monitoring.
- Handle patient inquiries, resolve concerns, and ensure a high level of customer service and patient satisfaction.
- Maintain accurate patient records, treatment documentation, and office files in accordance with privacy and confidentiality requirements.
- Coordinate billing procedures, process payments, follow up on outstanding accounts, and assist patients with insurance-related inquiries.
- Prepare and submit insurance claims and communicate with insurance providers regarding claim status and coverage matters.
- Monitor inventory levels of dental and office supplies, place orders as required, and coordinate with vendors to ensure timely delivery of materials.
- Arrange maintenance and servicing of office equipment and coordinate with dental equipment technicians when necessary.
- Assist in implementing office policies and procedures to improve operational efficiency and patient experience.

Prepare administrative reports, track clinic performance indicators, and support management in planning and decision-making.

- Coordinate staff schedules, manage vacation requests, and ensure adequate staffing levels to meet patient demand.
- Liaise with dental laboratories, suppliers, service providers, and other external partners to support clinic operations.
- Ensure compliance with clinic policies, infection control protocols, workplace health and safety requirements, and applicable regulatory standards.
- Support recruitment, onboarding, and orientation of new administrative staff and assist with ongoing staff development initiatives.
