Company Info:

Grand International Import & Export Inc has been in business since 2019. We engage in importing and exporting Asian food products from Mainland China, Southeast Asia, Japan, South Korea and other regions. Our diverse inventory includes seafood, meats, produce, spices, seasonings, snacks, beverages, kitchenware, etc. We are committed to allowing customers in North America to enjoy our products with the best price and utmost quality.

In addition to our international trading operations, the company also owns and operates its own farm dedicated to cultivating local fruits and vegetables. This allows us to ensure consistent quality, strengthen our supply chain, and support local agriculture. By integrating farming with our import and export business, we are able to offer a balanced selection of both locally grown and internationally sourced products.

Job Duties:

1. Clear debris and obstacles from the fields, irrigate soils;
2. Harvest and pick vegetables and conduct product quality check;
3. Assist in maintaining harvesting equipment and tools to ensure proper functionality;
4. Dig and plant seeds, or transplant seedlings;
5. Weigh and sort vegetables by size, weight, and category;
6. Record crops information, including picking dates, categories, yields, and other notes;
7. Package and load agricultural products for shipment;
8. Clean and sanitize equipment and work areas after harvesting, dispose of waste materials in an environmentally friendly manner.

Qualifications:

- 1.Handle and move objects.
- 2.Repetitive tasks.
- 3.Physically demanding.
- 4.Bending, crouching, kneeling constantly.
- 5.Standing for extended period.
