Stone | Masontech | Halifax

Job Description

Tasks:
-Prepare and lay bricks, concrete blocks, structural tiles or other masonry units.
- Estimate materials, tools and equipment required for projects.
- Lay bricks, stone or similar materials to provide veneer facing.
- Build patios, garden walls and other decorative installations.
- Read sketches and blueprints to calculate materials required.
- Work at heights, on scaffolding or swing stages.
- Restore, clean or paint existing masonry structures.
- Perform all forms of historic masonry repair, including dutchman repairs, consolidation, selective replacement, and mortar-based conservation treatments.
- Fabricate new stone elements—both structural and decorative—using traditional and modern tooling.

- Execute ornamental carving, sculptural details, mouldings, tracery, and other high-skill heritage elements from drawings, templates, or in-situ profiles.
- Conduct condition assessments and assist in developing repair strategies aligned with best-practice conservation principles.
- Work collaboratively with project managers, heritage consultants, and site crews to ensure accuracy, safety, and quality.
- Maintain a clean, safe work environment and adhere to all safety protocols, including scaffold and hoisting procedures.
- Support apprentices and junior masons through mentorship and skill development.

Skills:
- Proficiency in using hand tools, power tools, and heavy equipment related to masonry and construction
- Strong knowledge of masonry techniques, including stone carving, setting, and repair methods
- Ability to read blueprints, schematics, and construction drawings accurately
- Experience with renovation projects involving historic preservation or restoration work
- Strong attention to detail with a focus on craftsmanship and quality workmanship
- Excellent problem-solving skills related to structural repairs and restoration challenges

Education:
Secondary (high) school graduation certificate or equivalent experience.

Experience:
3 years to less than 5 years.

Work Setting:
Various locations in the HRM
Historical restoration
