Job Details

We are seeking a skilled Automotive Mechanic to join our dynamic team. The ideal candidate will possess a strong mechanical background and be proficient in automotive repair and maintenance. This role requires a commitment to delivering high-quality service while ensuring customer satisfaction. You will be working in a fast-paced environment, utilizing both hand and power tools to diagnose and repair vehicles effectively.

A licensed technician is preferred; however, we are willing to train the right candidate who has a minimum of 1 years of hands-on experience in the automotive industry. Applicants should be well-versed in tire changeovers, brake service, and suspension repairs, and have a solid understanding of general vehicle maintenance.

The successful candidate will be reliable, detail-oriented, and able to work both independently and as part of a team. A strong work ethic and willingness to continue learning and growing within the role are essential.

We offer a supportive team environment with opportunities for growth and advancement within the company.

Job Description

Perform routine maintenance and repairs on various types of vehicles, ensuring all work meets industry standards.

Utilize diagnostic tools and equipment to identify issues accurately and efficiently.

Conduct thorough inspections of vehicles, including checking schematics for electrical systems and components.

Assemble and disassemble vehicle parts as needed for repairs or replacements.

Provide excellent customer service by communicating effectively with clients regarding their vehicle's condition and necessary repairs.

Maintain a clean and organized workspace, adhering to safety protocols at all times.

Assist with heavy lifting of automotive parts and equipment as required during repairs or maintenance tasks.

Experience

Previous experience as an Automotive Mechanic is essential, with dealership experience being a significant advantage.

Proficiency in using hand tools, power tools, and diagnostic equipment is required.

Strong mechanical knowledge with the ability to read and interpret schematics related to automotive systems.

Experience in welding is a plus, enhancing your ability to perform various repair tasks.

A commitment to maintaining high standards of quality in all aspects of automotive repair and customer service is essential. If you are passionate about automotive mechanics and ready to contribute your skills to our team, we encourage you to apply for this exciting opportunity!

Hours for this position are:

Monday thru Thursday from 9:30am - 6pm

Friday's from 8:30am - 5pm

Overtime requested during busier periods

Job Types: Full-time, Permanent

Pay: \$32.00 /hr
