Job Description

About Cankord Glass

Cankord Glass is a British Columbia-based glazing contractor specializing in the supply, fabrication, installation, and repair of commercial and residential glass systems throughout Metro Vancouver and the Lower Mainland. Our expertise includes storefronts, curtain wall systems, storefront glazing, custom mirrors, shower enclosures, glass railings, windows, doors, and other architectural glass products. We are committed to delivering exceptional craftsmanship, outstanding customer service, and safe working practices while supporting the continued growth of Canada's skilled trades industry.

As our business continues to expand, we are seeking an experienced Glazier with strong commercial glazing installation experience to join our growing team. If you are passionate about quality workmanship, enjoy working in a collaborative environment, and are looking for long-term career opportunities, we encourage you to apply.
