We thank all applicants for their interest; however, only candidates selected for an interview will be contacted.

Job Description

Job Duties

- Coordinate, assign and review the daily work of front desk and guest service staff, including reservations, guest registration, check-in, check-out, payment processing and responding to guest inquiries.
- Prepare staff work schedules and shift assignments to maintain appropriate coverage for guest arrivals, departures and

day-to-day hotel operations.

- Establish and maintain work procedures for reservations, room assignments, guest registration, payment processing, record keeping and shift handovers.
- Coordinate with housekeeping and other hotel staff regarding room availability and readiness, guest requests and other matters affecting daily accommodation services.
- Resolve day-to-day operational issues, including reservation problems, billing discrepancies, guest complaints and service-related concerns, and prepare shift, incident and other operational reports as required.
- Train staff in job duties, guest service procedures, reservation and payment processes, workplace safety procedures and hotel policies.
- Monitor front desk and guest service supplies and request additional supplies and materials when required.
- Ensure the proper operation of front desk computers, reservation systems, payment terminals, telephones and other related equipment, and arrange for maintenance or technical assistance when necessary.
- Perform front desk and guest service duties as required, including taking reservations, registering guests, processing check-ins and check-outs, accepting payments and responding to guest inquiries.

Qualifications

- Completion of secondary school is required.
- Minimum 2 years of experience in customer service, hospitality, accommodation services or another related service environment is required.
- At least 1 year of experience supervising, coordinating, training or leading staff in a service environment is required.
- Experience dealing with customers, resolving complaints and handling day-to-day service or operational issues is required.
- Strong organizational, communication and interpersonal skills.
- Ability to coordinate staff activities, prioritize work and respond to operational issues independently.
- Basic computer skills and ability to learn and use hotel reservation, payment and front desk systems.
- Ability to work flexible shifts, including evenings, weekends and holidays as required.
- Previous hotel, motel or accommodation industry experience is an asset.
