AM GROUP OF COMPANIES

About Us:
A third-generation family business, AM Group of Companies has been proudly serving Ontario’s homeowners, commercial builders, and property managers since 1956. Today, we are a full-service exterior solutions provider with divisions dedicated to roofing, windows/doors, insulation and aluminum. With more than 5,000 successfully executed projects each year, and more than 200 hourly and salaried employees, we have earned a reputation for quality and craftsmanship, with strong industry partnerships and highly skilled tradespeople.
We are more than a full-service exterior solutions provider. With familial values at our core, AM Group of Companies employees are dedicated to being an active part of the communities we serve. From Habitat for Humanity fundraisers and builds, to supporting children's charities, and aiding individual families in times of need, our employees are deeply invested in the positive impact we can make on the communities where we live and work.
We Are Hiring:
We are currently looking for 6 full-time Construction Helpers to join our growing team. As we work with multiple projects throughout the year, you would be assisting tradespersons and will be helping in the pre and post-clean up to ensure our customers receive the best possible service in the market!
Job Duties:
As a Construction Helper, your duties are as follows:
• Prepare construction site by cleaning and moving materials to work areas, as needed
• Load and unload construction materials to and from the work site
• Depending on the season, shovel snow and pump water, as needed, in order for the crew to work without delays and in a safe manner
• Assist tradespeople, as assigned by Project Coordinator
• Directing traffic at and near sites etc. to ensure safe working environment
• Clean up post-construction by removing rubble and other debris at construction sites using rakes, shovels, wheelbarrows and other equipment
• Perform other duties on site as assigned by Lead Hand or Project Coordinator
Qualifications:
• No minimum education and experience – On-the-job training would be provided

• Basic English language skills – enough to communicate with coworkers and clients, as needed
• Ability to work on multiple assignments at a time
• Willingness to learn the trade and company procedures
• Ability to work with multiple teams, as needed

Compensation:

• Hourly rate of $27.00 overtime rate of $40.50 after 44 hours of work per week
• Full-time position - At least 30 hours per week
• Work location: Client sites across the region
• Head office address: 319414 Grey Road 1, Kemble, Ontario, N0H 1S0
