Job Details

Company: Jim Pattison Enterprises Ltd. o/a Delta Pacific Seafoods

Business information: Delta Pacific Seafoods is the largest fresh, frozen and value-added seafood processor in British Columbia, specializing in high quality, custom seafood processing, value added and cold storage services. At Delta Pacific, we employ a diverse and family oriented workforce. We offer year round employment, competitive wages, group benefits including extended, dental and group RRSP. We also provide on-the job training, uniforms, and equipment.

Our Filleting Department is seeking individuals with excellent knife skills to join the team. Fish Mongers expertly fillet various species of fish sold to the company’s food wholesale and retail customers, ensuring maximum use of the raw material. They are responsible for breaking down whole fish (Round, H&G etc.) to the appropriate fillet specifications (vary by customer) and for meeting set yield goals which are different for each species being filleted.
